Welcome to GayDayS Orlando 2019... Celebrating 50 Years of Stonewall!

GayDayS Orlando is 29 this year but still a child compared to Stonewall. Many of you might not have even been alive in 1969 when the Stonewall Riots took place, but we have LGBTQ history scattered throughout the magazine this year for you to see. We have come a long way towards equality, but there are many more challenges we face.

Although our dates changed this year, all the fun has stayed the same, so check out the calendar in the middle of this magazine to see our full schedule. Tickets to all the Official GayDayS events can be purchased at the GayDayS Ticket Center in the lobby of our new GayDayS Host Hotel, the Wyndham Orlando Resort I-drive, starting Tuesday, August 13. Since you might be reading our magazine a month before the event, you can also buy in advance at GayDayS.com until the weekend before the event begins. They will be waiting for you at Will Call in the Ticket Center at our host hotel starting August 13.

If you have never experienced GayDayS Orlando, you are in for a great time. If you're a return guest, thank you for being part of the GayDayS family.

To all our guests, be safe, have fun, and mark your calendar for GayDayS Orlando 2020 – Emerald City! Lions, tigers, and bears and possibly some wizards behind the curtain will be part of the celebration.

We have new dates for 2020, and a new GayDayS Host Hotel, the Wyndham Hotel & Convention Center off Hwy. 192 in Osceola County. It is a brand new remodeled property, right in the heart of the tourist area and right at the back door of WDW. We are proud to partner with their team and look forward to providing you with the best vacation you have ever experienced.

Our GayDayS Host Hotels have sold out for over 19 years, so book your 2020 room while you are here for GayDayS 2019.

**Happy GayDayS 29th Anniversary,
The GayDayS Team**

Few places on earth celebrate LGBTQ diversity and pride as openly as Key West. Then again, *One Human Family* isn't our official town motto for nothing. Truth is, with everything from gay tours and clothing optional resorts to risqué cabaret, an eclectic art scene and abundant natural wonders, you could say that Key West was out before it was in.
