Judging

There are always an odd number of judges (five or seven) who are prominent members of the leather and LGBTQ community. The Mr. GayDayS® Leather competition utilizes the Olympic Scoring System. In this system, the highest and lowest scores in each event are dropped and the remaining scores are added to make a Contestant's total score for that category. The scores for each category are added together to make your total score.

In the event of a tie of the total Olympic scores, those scores that were dropped from the Olympic total (the high and low scores) will be added back to the Olympic total and the Contestant with the highest score will become Mr. GayDayS® Leather 2018.

Following the end of the Contest, a Contestant's scores will be provided to him upon request. On the scoring sheets provided, Judges will be identified by numbers (which will not be revealed to you and will be randomized between categories), not their names.

Score allocation will be as follows:

A. PERSONAL INTERVIEW, 25%

Each contestant will be interviewed by our panel of judges prior to the public contest. Questions may range from your personal history, occupation, life experience and social affiliations, to personal and political opinions about current events topics, etc. Judges' questions often cover knowledge of the leather community; its leaders and history; and the Contestant's contributions and/or leadership in the leather community.

1. Judges will be looking into the character, charisma, personality, and professional and personal lives of each contestant. It will also provide them the opportunity to evaluate basic skills and qualities such as intellect, communication capabilities, attitude, and composure.
2. Contestants shall attend interviews as themselves in comfortable clothes; contestants may wear awards and sashes.
3. Contestants should remember that this is a professional, yet casual, interview. Attire should reflect personality while remaining relaxed, and professional.
4. Contestants should select their clothing to allow them to be comfortable and at ease.
5. The interview schedule and room location will be provided at the Mandatory Competition Participant Meeting.
6. Personal Interviews will be scheduled for a maximum of 15 minutes.
7. Each interview will be audio/video recorded. Upon conclusion of all interviews, the judges will be provided with a recording of each contestant's interview as they finalize their comments and category scores.

B. BAR WEAR, 15%

Bar wear is a chance for you to show the judges and the crowd who you are with your leather gear. This should be what you would normally wear to the bar and should represent your leather esthetic or persona.

1. Contestants will be brought on stage one by one and introduced with a basic bio to include age, where they are from, occupation, etc.
2. Contestants will then be given up to two minutes to explain to the judges and the audience why they want to hold the title of Mr. GayDayS® Leather.
3. Judges will look for how well your gear fits you, your attitude and your overall appeal in leather. They will also be looking to see how you composed you are and how well you can articulate your thoughts in front of a crowd. 1. Contestants will be brought on stage one by one and introduced with a more fun and personal bio to include sexual interests, position, hanky codes, etc.
2. Contestants will be asked to answer a pop question, this can be a question about leather, pop culture, gay culture, etc. Contestants will be allowed up to two minutes to answer the question.
3. Judging will be looking for how confident you are on stage in your jock. They will also judge your response to the question. They will not be about how correct the answer is, but how you choose to answer. Judges would prefer a correct answer; however, this is your chance to win over the crowd with your personality.
4. Set-up time is not provided; no set props may be used.
5. No items may be left on the stage upon exit. This includes clothing, accessories, and any items that may be dropped, thrown, or left on stage.
